Upon receipt of registration fee and deposit, we will confirm your sessions are secure by sending an acknowledgment email.

Making changes to your plan: Should you wish to decrease the number of sessions your child attends/is due to attend, 2 months written notice is required, which must then be confirmed by email by Mini Bees. This is applicable prior to starting and during your time with us. Should you wish to increase your plan, additional days are based on availability and are not guaranteed. Decreases in your child's plan are also subject to availability and we cannot guarantee that we'll be able to offer your requested days, as we have to balance our staffing and attendance evenly across the week.

Cancelling a confirmed place:

Cancelling more than 3 months prior to starting: We will refund your £300 deposit if you cancel your child's place more than 3 calendar months ahead of your child starting nursery with us. Your £50 registration fee will remain non-refundable.

Cancelling less than 3 months prior to starting: We ask that you inform us as soon as possible. We will not be able to refund either your £300 deposit fee or your £50 registration fee, and you will be liable for any fees over and above the value of the £300 deposit fee, that are payable during the 3 month notice period.

Serving notice once your child has started Mini Bees: We require 2 months' notice in writing, which means that your contract with the nursery will not end until 2 calendar months after the day on which you contact us to cancel your child's place. You will be responsible for paying the fees during that time. All outstanding fees remaining will need to be paid in full.
